

# Quarterly Newsletter

Volume 1 | 1st & 2nd Quarter | Nambour Historical Museum

## *Announcement*

Welcome to our new look newsletter! It has been some time since our last update, and my goodness there has been a lot going on in the world since the start of the year.

For the time being, the Museum remains closed to the public. The current estimate is that we will re-open in late August 2020.

In the meantime, the Museum has been undergoing several exciting upgrades and maintenance, with some additional upgrades still to come....

## Remembering Our Local families

The Museum would like to offer our condolences to the Parry family on the passing of a dear friend and Museum member, Kath Parry.

We have many great families in our region, and if you have been busy undertaking a big COVID clean-up, we would love to see donated any relevant photos of the area or family histories for our family files at the Museum.

As many may have seen from the Museum's email and FB updates the downtime created by the COVID-19 lockdown has created an opportunity to undertake some more extensive maintenance and upgrades around the Museum. These have included a revamp of the School Room, significant progress with the new Post Office room and installation of additional lights, power switches, and of course the air-conditioners, solar panels and blinds on the deck are now complete!

More concrete

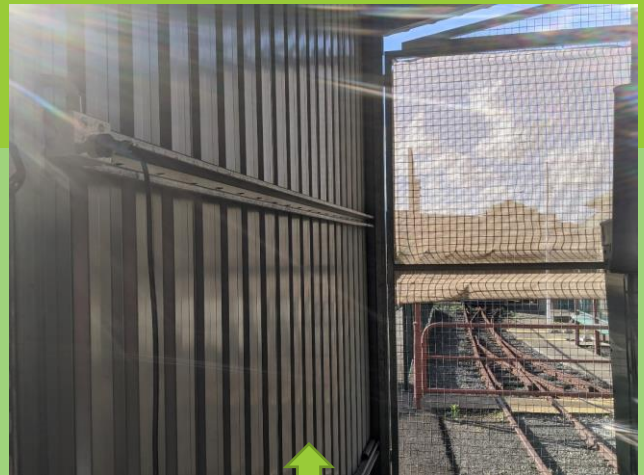

# The New Post Office room

New lights!

The Flyer restoration project....

New Power Switches!

Our new neighbors are also progressing well with their build!

New concrete for outside displays

## *Front Entrance Revamp*

*Museum President Clive Plater has been successful in obtaining a grant to fund a new entry and replacement of railings at the front of the Museum. The Sign is also due to be moved to further highlight the amazing historical images that now completely cover the front windows.*
